

Dear Alpha Campers,

Wow! Time sure flies by! Soon, we will be driving our amazing preteen kids to camp and experiencing God's amazing love and power in the midst of hundreds of God's children. I am personally looking forward to seeing all of you again this year.

A couple of informational pieces. First of all, we will be conducting recreation time a little differently this year. We have the awesome opportunity to utilize the low ropes course and the lake for canoe races. I envision teamwork skills being developed and fun memories made. During free time on Tuesday & Wednesday, we will have a color war. Please encourage your campers to bring an old white shirt for this activity so they can be a part of the fun. Please make sure to go get your swim test done right after you register. This will be your only opportunity. Please remember that everyone who plans on swimming or diving in the deep end must do the swim test. Each church will be assigned a day for the high ropes course. Please check your schedule when you arrive for your assigned day (some churches will have Monday as their day).

Please be in prayer for our camp pastor, Rusty Mott, and the worship leaders, BJ Stewart Band as they prepare to lead the services.

See you soon!

Amanda Williams

Please call the ETBE office if you have any questions.
